

# IIT Madras Zanzibar

Learn Bold. Think Global. Lead Anywhere.

**#180**

QS World  
University  
Ranking

**#1**

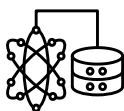

NIRF Overall: Best University in India  
NIRF Engineering: Top Institute in India  
NIRF Innovation: Top Ranked in India

ADMISSION OPEN | AY 2026-27

Open to all nationalities

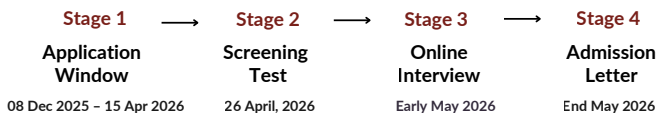

Apply Now

## M.Tech. in Data Science & AI

### 2-year PG program

### Admission Process and Timeline

### Highlights

- IIT Education in an international & multicultural learning environment.
- Close Mentorship and Global Research Networks
- The Global South as a Frontier for AI Innovation
- Delve into research questions from your first semester.
- Publish, Collaborate, and Transition to PhD or Advanced AI Roles

### Research Labs

**INSIGHT Lab**  
Neural ODEs, physics-informed machine learning (PIML), sequence-aware modeling, and multimodal AI.

**SAAIL Lab**  
Agricultural diagnostics and quality grading, medical imaging, East African NLP, edge AI, responsible AI governance.

**MIDAS Lab**  
AI in vision, speech, healthcare, pioneering model compression, coresnet learning, and perceptual quality assessment.

**VisAI labs**  
Monocular 3D face analysis, continual learning, small object detection and tracking, neural network optimization.

### Research Outcomes & Impact

**30+** top tier publications  
multiple grand challenge wins

**\$20,000** in awards and travel grants

**Key Engagements:** UNESCO AI Readiness Consultation for Zanzibar Tanzania, MOMI Convention (Gates Foundation Seattle), Zanzibar Malaria Elimination Programme (ZAMEP) Nyota Tech Hub

### Placements & Internships

SuperDoll

Bosch

Gyan Data Pvt. Ltd

Netweb

SysTech

SoftTech

Africa Global Logistics

Liquid Intelligent Technologies
